Covenant

In thankful response to God for providing support to my family's education and as a member of the Pilgrim community, I agree to aid the work of Pilgrim Lutheran School through volunteering to the best of my ability within the school and classrooms. I welcome contact from teachers, the administration, and the PTL to encourage the use of my gifts and talents for projects and events. I understand that any discount that will be granted is subject to my commitment as made here and to remaining current in my payments to Pilgrim. I agree to contact Pilgrim immediately if my financial situation changes that will cause my tuition to be delinquent, or that will allow me to increase my payments beyond the discounted amount.
